After the Cheering Stops: An NFL Wife's Story of Concussions, Loss, and the Faith that Saw Her Through By Cyndy Feasel

Former NFL wife Cyndy Feasel tells the tragic story of her family's journey into chaos and darkness resulting from the damage her husband suffered due to football-related concussions and head trauma—and the faith that saved her.

"If I'd only known what I loved the most would end up killing me and taking away everything I loved, I would have never done it." – Grant Feasel

Grant Feasel spent ten years in the NFL, playing 117 games as a center and a long snapper mostly for the Seattle Seahawks. The skull-battering, jaw-shaking collisions he absorbed during those years ultimately destroyed his marriage and fractured his family. Grant died on July 15, 2012, at the age of 52, the victim of alcohol abuse and a degenerative brain disease known as chronic traumatic encephalopathy, or CTE.

Cyndy Feasel watched their life together become a living hell as alcohol became Grant's medication for a disease rooted in the scores of concussions he suffered on the football field. Helmet-to-helmet collisions opened the door to CTE and transformed him from a sunny, strong, and loving man into a dark shadow of his former self. In this raw and emotional memoir that takes a closer look at the destruction wrought by a game millions love, Cyndy describes in painful and excruciating detail what can happen to an NFL player and his family when the stadium empties and the lights go down. A powerful tale of warning for football moms and NFL wives everywhere, *After the Cheering Stops* is also a story of the hard-won hope found in God's presence when everything else falls apart.

Editorial Review

About the Author

Cyndy Feasel was married for twenty-nine years to NFL lineman Grant Feasel, who was discovered after his death to have developed CTE—a progressive degenerative brain disease—from the concussions he received playing football. An art teacher in Fort Worth, Texas, Cyndy is committed to raising awareness of CTE and the dangers of repetitive head injury.

Mike Yorkey is the author, co-author, editor, or collaborator of one hundred books. He has written for *The Los Angeles Times* travel section, *Skiing*, *Tennis Week*, *World Tennis*, *City Sports*, and *Racquet*. He lives in Encinitas, California.

Users Review
