Backpacking in Michigan By Jim DuFresne

With 65 photographs and 77 detailed maps, this indispensable guide to the state's hiking trails gives beginners to advanced hikers all the information they need to plan their next Michigan overnight or weekend backpacking trip. Featuring 50 trails---27 in the Lower Peninsula---ranging from one-hour to multiple-day treks in both the Upper and Lower Peninsulas, *Backpacking in Michigan* has something for every hiker.

Information on hike length and difficulty, elevation gain, the amount of time needed to complete the hike, camping facilities, and nearby towns accompanies each of the trail listings. The author also provides extensive reference maps along with a description of scenic highlights. In addition to backcountry explorations of remote trails, *Backpacking in Michigan* includes classic Michigan adventures such as the Lakeshore Trail in Pictured Rocks National Lakeshore, the Greenstone Ridge Trail in Isle Royale National Park, North Manitou Island in Sleeping Bear Dunes National Lakeshore, and Jordan River Pathway in the Mackinaw State Forest.

While *Backpacking in Michigan* focuses primarily on the trails themselves, it also makes planning your Michigan adventure as easy as possible by providing important information on routes to and from the trailhead, as well as park fees and reservation information for shelters, walk-in cabins, rental yurts, and overnight camping.

Jim DuFresne is a Michigan native and author of more than a dozen wilderness, travel, and hiking guidebooks. He is author of *Isle Royale National Park: Foot Trails and Water Routes*; *50 Hikes in Michigan: The Best Walks, Hikes, and Backpacks in the Lower Peninsula*; *Best Hikes with Children: Michigan*; *Porcupine Mountains Wilderness State Park: A Backcountry Guide for Hikers, Campers, Backpackers, and Skiers*; as well as *The Complete Guide to Michigan Sand Dunes*, copublished by the University of Michigan Press and Petoskey Publishing.

Users Review

From reader reviews:

Susan Burroughs:

Book is to be different for every grade. Book for children until eventually adult are different content. To be sure that book is very important for all of us. The book *Backpacking in Michigan* was making you to know about other information and of course you can take more information. It is extremely advantages for you. The e-book *Backpacking in Michigan* is not only giving you much more new information but also being your friend when you feel bored. You can spend your own spend time to read your book. Try to make relationship using the book *Backpacking in Michigan*. You never feel lose out for everything should you read some books.

Martin McDaniel:

Reading a guide tends to be new life style in this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Using book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire their reader with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some exploration before they write to their book. One of them is this *Backpacking in Michigan*.

Charles Malone:

As we know that book is significant thing to add our know-how for everything. By a publication we can know everything you want. A book is a range of written, printed, illustrated or blank sheet. Every year has been exactly added. This e-book *Backpacking in Michigan* was filled with regards to science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading a book. If you know how big good thing about a book, you can really feel enjoy to read a reserve. In the modern era like today, many ways to get book that you simply wanted.

Felecia Holst:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book had been rare? Why

so many query for the book? But any kind of people feel that they enjoy to get reading. Some people likes looking at, not only science book but novel and Backpacking in Michigan or others sources were given knowledge for you. After you know how the truly amazing a book, you feel wish to read more and more. Science book was created for teacher or perhaps students especially. Those books are helping them to bring their knowledge. In some other case, beside science reserve, any other book likes Backpacking in Michigan to make your spare time more colorful. Many types of book like this.
