Editorial Review

Amazon.com Review

Picking up where the extraordinarily interesting I, Claudius ends, *Claudius the God* tells the tale of Claudius' 13-year reign as Emperor of Rome. Naturally, it ends when Claudius is murdered--believe me, it's not giving anything away to say this; the surprise is when someone doesn't get poisoned. While Claudius spends most of his time before becoming emperor tending to his books and his writings and trying to stay out of the general line of corruption and killings, his life on the throne puts him into the center of the political maelstrom.

From the Inside Flap

Robert Graves begins anew the tumultuous life of the Roman who became emperor in spite of himself. Captures the vitality, splendor, and decadence of the Roman world at the point of its decline.

Users Review

From reader reviews:

Georgia Hernandez:

The book *Claudius the God: And His Wife Messalina* make you feel enjoy for your spare time. You need to use to make your capable far more increase.
