Cosmetic Surgery (LANGE Clinical Medicine) By Robert Grant, Constance Chen

Full-color, step-by-step guidance on how to perform the most popular procedures in cosmetic surgery

Using more than 250 full-color illustrations and photos, and clear, concise text, *Cosmetic Surgery* teaches you how to perform the latest and most in-demand surgical and non-surgical procedures in aesthetic plastic surgery. Each chapter includes patient selection and preparation, technique, complications, outcomes assessment, and references, and many illustrations that have been prepared specifically for this book.

FEATURES:

- A consistent, easy-to-navigate approach that facilitates quick learning
- More than 250 full-color illustrations that clarify each step of every procedure
- Expert authorship by experienced plastic surgeons

COMPREHENSIVE COVERAGE OF:

- Facial surgeries including facelift, brow lift, blepharoplasty, otoplasty, rhinoplasty, and chin implants
- Breast surgery, body contouring, and bariatric plastic surgery including breast augmentation, breast reduction, abdominoplasty, brachioplasty, and liposuction
- Non-surgical options including Botox, injectable fillers, chemical peel, dermabrasion, and laser surgery
- Other considerations such as new developments in cosmetic surgery, the business of cosmetic surgery, and the public's view of cosmetic surgery

Users Review

From reader reviews:

Sharon Grace:

This Cosmetic Surgery (LANGE Clinical Medicine) book is not really ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is information inside this guide incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. This specific Cosmetic Surgery (LANGE Clinical Medicine) without we understand teach the one who reading it become critical in considering and analyzing. Don't always be worry Cosmetic Surgery (LANGE Clinical Medicine) can bring any time you are and not make your handbag space or bookshelves' come to be full because you can have it in the lovely laptop even phone. This Cosmetic Surgery (LANGE Clinical Medicine) having great arrangement in word in addition to layout, so you will not truly feel uninterested in reading.

Stephen Galvan:

As people who live in often the modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era and that is always change and move ahead. Some of you maybe will probably update themselves by reading through books. It is a good choice for you personally but the problems coming to an individual is you don't know which one you should start with. This Cosmetic Surgery (LANGE Clinical Medicine) is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

David Paras:

Nowadays reading books be a little more than want or need but also get a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with education books but if you want sense happy read one having theme for entertaining such as comic or novel. The Cosmetic Surgery (LANGE Clinical Medicine) is kind of publication which is giving the reader unpredictable experience.

Annie Rose:

Does one one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Try and pick one book that you just dont know the inside because don't determine book by its handle may doesn't work the following is difficult job because you are scared that the inside maybe not because fantastic as in the outside look likes. Maybe you answer can be Cosmetic Surgery (LANGE Clinical Medicine) why because the excellent cover that make you consider concerning the content will not disappoint you actually. The inside or content is definitely fantastic as the outside as well as cover. Your reading sixth sense will directly assist you to pick up this book.
