## Effective Group Discussion: Theory and Practice (Communication) By Gloria Galanes, Katherine Adams

Now in its fourteenth successful edition, *Effective Group Discussion* combines the most recent research findings and practical tools students need to become productive group members. A variety of secondary groups are covered in the text: work groups, committees, task forces, self-directed work teams, and other small groups whose objectives include finding solutions to problems, producing goods, and creating policies.

Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found here:

### **Editorial Review**

#### **About the Author**

Gloria J. Galanes is Associate Professor of Communication and Mass Media at Southwest Missouri St. University and has received the University's Faculty Excellence in Teaching and the Outstanding Graduate Faculty Member awards.

Katherine L. Adams is Professor of Speech Communication at California State University, Fresno, where she received a Meritorious Promise and Performance award in 1989. She has served as their Graduate Coordinator since 1989. She received her Ph.D. in Communication from the University of Utah under the direction of B. Aubrey Fisher. She has authored four instructor's manuals in interpersonal and small group communication and most recently, this group communication book with Gloria Galanes. She has published articles in the areas of conversational analysis and interpersonal communication. Currently she is an associate editor for Communication Reports and The Western Journal of Communication. She participates, at all levels, in the Western States Communication Association and Speech Communication Association and teaches in the areas of interpersonal communication, communication theory, small group communication, and research methods.

### **Users Review**

#### **From reader reviews:**

##### **Kevin Swafford:**

In this 21st millennium, people become competitive in each and every way. By being competitive at this point, people have to do something to make them survive, being in the middle of the particular crowded place and notice by surrounding. One thing that oftentimes many people have underestimated it for a while is reading. That's why, by reading a reserve your ability to survive improve then having chance to stay than other is high. To suit your needs who want to start reading a new book, we give you this particular Effective Group Discussion: Theory and Practice (Communication) book as nice and daily reading guide. Why, because this book is more than just a book.

##### **Christen Arnold:**

Reading a book can be one of a lot of pastime that everyone in the world really likes. Do you like reading book so. There are a lot of reasons why people like it. First reading a guide will give you a lot of new info. When you read a publication you will get new information mainly because book is one of several ways to share the information as well as their idea. Second, reading a book will make an individual more imaginative. When you reading a book especially tale fantasy book the author will bring one to imagine the story how the people do it anything. Third, you can share your knowledge to others. When you read this Effective Group Discussion: Theory and Practice (Communication), you could tell your family, friends and also soon about your guide. Your knowledge can inspire the others, make them reading a reserve.

**Guadalupe Leatherman:**

Is it you who having spare time subsequently spend it whole day by watching television programs or just lying on the bed? Do you need something new? This Effective Group Discussion: Theory and Practice (Communication) can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these publications have than the others?

**Joan Munoz:**

A lot of book has printed but it is different. You can get it by net on social media. You can choose the best book for you, science, comedian, novel, or whatever by searching from it. It is referred to as of book Effective Group Discussion: Theory and Practice (Communication). You can include your knowledge by it. Without causing the printed book, it can add your knowledge and make a person happier to read. It is most critical that, you must aware about book. It can bring you from one place to other place.
