Fête: The Wedding Experience By Jung Lee, Kathleen Boyes

A fresh take on weddings for today's modern couples
Filled with practical tips to help anyone at any income level plan the wedding of their dreams

Extraordinary weddings are the ones that bring the marrying couple's vision to vivid life. Every element—venue, music, food, decor—resonates with meaning, reflecting the pair's own taste and style. Putting all those elements together in a way that ensures a magical time for the wedding party and all the guests entails much more than just ticking off the boxes on a preset checklist. It requires introspection to discern the bride and groom's true wishes—and it takes the impeccable orchestration of the total experience.

By focusing on introspection and orchestration—and by enabling couples to realize their wedding-day fantasies, no matter where they live and no matter what their budget—Jung Lee and her company, *Fête*, have rocketed to the top of the wedding-planning industry. In *Fête: The Wedding Experience*, Lee shares her secrets with every bride- and groom-to-be, walking them through the same planning process she's developed for her sophisticated clientele.

Knowing that every memorable wedding is uniquely personal, Lee tells the stories of eight *Fête*-produced weddings, each highlighting a different aspect of planning. Lavishly illustrated with 150 stunning photographs, *Fête: The Wedding Experience* will provide endless inspiration as you plan the fête of your dreams.
