Legacy of Kings (Blood of Gods and Royals) By Eleanor Herman

Imagine a time when the gods turn a blind eye to the agony of men, when the last of the hellions roam the plains, and evil stirs beyond the edges of the map. A time when cities burn, and in their ashes, empires rise.

Alexander, Macedon's sixteen-year-old heir, is on the brink of discovering his fated role in conquering the known world, but finds himself drawn to a newcomer...

Katerina must navigate the dark secrets of court life while keeping hidden her own mission: kill the queen. But she doesn't account for her first love...

Jacob will go to unthinkable lengths to win Katerina, even if it means having to compete with **Hephaestion**, a murderer sheltered by the prince.

And far across the sea, Zofia, a Persian princess and Alexander's unmet betrothed, wants to alter her destiny by seeking the famed and deadly Spirit Eaters.

Weaving fantasy with the shocking details of real history, *New York Times* bestselling author of *Sex with Kings* Eleanor Herman reimagines the greatest emperor the world has ever known, Alexander the Great, in the first book of the Blood of Gods and Royals series.
