Edward Cooley:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country.
