The Fat Girl By Marilyn Sachs

Jeff Lyons cant stand Ellen de Luca, the fat girl in his ceramics class. Shes huge, clumsy, cant throw a pot to save her life, and stares at Jeff all the time. But hes a ""nice guy"" and feels terrible when Ellen overhears his hurtful remarks about her. The ""crumbs of kindness"" he tosses her way soon turn into advice on weight loss, college, clothes, hair . . . and, to everyones surprise, good-looking Jeff actually dumps his pretty girlfriend to be with the fat girl! Re-creating Ellen is a labor of love, Jeff thinks. But as her pounds melt away, Jeff resents the happy, independent young woman he has unleashed. Where is the gratitude for all hes done for her? With this darkly ironic take on the classic Pygmalion tale, Marilyn Sachs offers young readers a candid portrayal of what happens when the intoxicating thrill of control is confused with love.

Editorial Review

From Publishers Weekly

Jeff is in love with Norma when he makes a cruel remark about the fat girl, Ellen. When he apologizes to Ellen, he senses his power over her, and enters a Svengali-like relationship with her. "This is a clear-sighted, gripping story that will induce readers to think about relationships," noted PW.
