The Way to a Duke's Heart: The Truth About the Duke By Caroline Linden

Historical romance readers can't wait to learn The Truth about the Duke, Caroline Linden's wonderful series about three English brothers on a quest to restore their family name, seek their fortunes, and find true love. *The Way to a Duke's Heart* is the thrilling final chapter, as a charming, pleasure-seeking nobleman takes on the serious business of uncovering a blackmailer, and enlists the help of a beautiful, no-nonsense businesswoman who, against her better judgment, finds herself falling for the rake. A RITA Award-nominated author who, as Julia Quinn says, "touches every emotion," Caroline Linden once again demonstrates why she is a true fan favorite, especially for those who adore the exciting romantic adventures of Liz Carlyle and Elizabeth Boyle.

"The engaging characters keep readers interest and it is satisfying to reach the end of the de Lacey brothers' quest." ---RT Book Reviews

From the Back Cover

Charles de Lacey, Lord Gresham, is running out of time, running from his responsibilities, and running from love.

Destined to be a duke, Charles de Lacey has led a life of decadent pleasure, free of any care for propriety or responsibility. It comes as a terrible shock to learn that he might be stripped of everything, thanks to his father's scandalous past. He has no choice but to find the blackmailer who would ruin him—and his only link to the villain is a woman who may be part of the plot...

To save his fortune and title, he vows he'll stop at nothing—in fact, he's all too eager to unravel the beautiful, tart-tongued Tessa Neville. She intrigues him and tempts him like no other lady ever has. With only his heart to guide him, and keenly aware that his entire future is at stake, Charles must decide: is she the woman of his dreams, or an enemy in disguise?

About the Author

Caroline Linden was born a reader, not a writer. She earned a math degree from Harvard University and wrote computer software before turning to writing fiction. Twelve years, sixteen books, three Red Sox championships, and one dog later, she has never been happier with her decision. Her books have won the NEC Reader's Choice Beanpot Award, the Daphne du Maurier Award, the NJRW Golden Leaf Award, and RWA's RITA® Award. Since she never won any prizes in math, she takes this as a sign that her decision was also a smart one.
