Twisted: A Novel By Tracy Brown

Celeste Styles is starting over. After losing her cherished salon in a suspicious fire, she has finally left her adulterous relationship and her drama-filled life in Brooklyn for the peace and tranquility of Atlanta, Georgia. But when Rah-Lo heads down south after deciding to leave his wife Asia, Celeste is floored and isn't quite sure if she wants to rekindle their affair. Meanwhile, Asia is hell bent on revenge. Vowing not to let Celeste get away with her man *that* easily, she, too, heads to Atlanta. But just on her heels is Ishmael Wright, ready to save the day and to warn his best friend Rah-Lo about his vengeful wife. Though Ishmael also has something else up his sleeve.

Secret betrayals are exposed, bitter rivalries explode, love is lost and found. Life will never be the same on the streets of "Hotlanta" in Tracy Brown's epic new urban drama.

Editorial Review

From Publishers Weekly

Brown (*Criminal Minded*) packs her latest New York street fable with titillation, betrayals, violence, sex, histrionics and an amazingly improbable redemption through true love. An extremely fed up Celeste Styles sets her beloved salon, Dime Piece, on fire in an attempt to head South and start her life anew, away from her married boyfriend Rah-lo, a dealer. Meanwhile, Ishmael, Rah-lo's business partner, best friend and confidante, tries to forget his feelings for Celeste with a relationship with Nina—and a rekindled affair with Robin. Brown keeps the drama flowing and the pages turning as the love triangle converges explosively in Atlanta. (May)
