Automata and Mechanical Toys By Rodney Peppé

No other craft so brilliantly captures the magic of turning a handle, picking a switch, or pulling a lever to see the unexpected come to life. *Automata and Mechanical Toys* is a book for anyone drawn to simple, entertaining mechanics. The book features 21 leading makers, each with a distinctive style. With 160 color photos and 100 delightful examples of the craft, the book is a feast for collectors and enthusiasts. A substantial section of the book is devoted to making automata mechanisms, ideal for novices or those wishing to learn new techniques. Illustrated, step-by-step instructions explain how to make a bearings box, which separately houses all the main mechanisms used in automata. The box can then be converted to any mechanism you choose. Rodney Peppé is a winner of the British Toymakers' Guild Toy of the Year Award; he has had exhibitions of his work at the Victoria & Albert Museum of Childhood. He is also the author of *Rodney Peppé's Moving Toys*.

Editorial Review

From the Publisher

No other craft so brilliantly captures the magic of turning a handle, picking a switch, or pulling a lever to see the unexpected come to life. **Automata and Mechanical Toys** is a book for anyone drawn to simple, entertaining mechanics. The book features 21 leading makers, each with a distinctive style. With 160 color photos and 100 delightful examples of the craft, the book is a feast for collectors and enthusiasts. A substantial section of the book is devoted to making automata mechanisms, ideal for novices or those wishing to learn new techniques. Illustrated, step-by-step instructions explain how to make a bearings box, which separately houses all the main mechanisms used in automata. The box can then be converted to any mechanism you choose. Rodney Peppé is a winner of the British Toymakers' Guild Toy of the Year Award; he has had exhibitions of his work at the Victoria & Albert Museum of Childhood. He is also the author of **Rodney Peppé's Moving Toys**.

About the Author

Rodney Peppe is author-illustrator of over eighty children's books, and creator of Huxley Pig and Angelmouse for television. Rodney Peppe's Moving Toys was published in 1980, and this led to his toymaking. He rarely sells, but exhibits in one-man shows at venues including the V&A Museum of Childhood and the National Theatre.

Users Review

From reader reviews:

Elizabeth Parker:
