Editorial Review

Review

I rarely take a Grammar Girl podcast live without at least quadruple-checking my main thesis, and Common Errors in English Usage has quickly become one of my most valued fact-checking resources. --'Grammar Girl' Mignon Fogarty

Paul Brians has written a handy and likable reference tool. When he gives you the right answer, he sends you off chuckling--a winning combination. --Jack Miles, former literary editor, LA Times

I'd call Paul Brians' book incredible, fabulous, or fantastic, except thanks to him, I know now that none of those words are what I really mean. Let's just say that Common Errors in English Usage is the most cheerfully useful book I've read since the Kama Sutra. --Scott Simon, host of NPR's Weekend Edition

About the Author

Paul Brians is Professor Emeritus of English at Washington State University. His 'Common Errors in English' Web site has been recommended by BBC Online, Writer's Digest, Yahoo! Internet Life magazine, USA Today, refdesk.com, the Seattle Times, and many other periodicals and publications.

Users Review

From reader reviews:

Mark Giordano:

Information is provisions for those to get better life, information nowadays can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is in the former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one often the resource are convinced. If you have the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Common Errors in English Usage: Third Edition as the daily resource information.

Tyrone Smith:
