Review

"Anyone who wants to get their bearings in Duchamp and Dali's worlds should read Matthew Gale's Dada & Surrealism. Gale provides an extremely clear, up-to-date and thorough account of all the movements' different strands around the world. One of the main pleasures of the book is the quantity and range of colour illustrations. Gale's book should become the standard general survey."-Independent On the Art & Ideas series
"Art & Ideas has broken new ground in making accessible authoritative views on periods, movements and concepts in art. As a series it represents a real advance in publishing."-Sir Nicholas Serota, Director, Tate London
"The format is wonderful and offers what had long been missing in academic studies: usable manuals for specific themes or periods... I am definitely not alone in welcoming Art & Ideas as a precious set of teaching tools."-Joachim Pissarro, Yale University
"Phaidon's series may prove to be the pick of the crop. It boasts expert but undogmatic texts and a wealth of illustrations."-The Sunday Telegraph
