I & I: The Natural Mystics: Marley, Tosh and Wailer By Colin Grant

The history of the original Wailers -- Tosh, Livingstone and Marley -- as never before told.

Over one dramatic decade, a trio of Trenchtown R&B crooners, Peter Tosh, Bunny Wailer and Bob Marley, swapped their 1960s Brylcreem hairdos and two-tone suits for 1970s battle fatigues and dreadlocks to become the Wailers -- one of the most influential groups in popular music.

One of our best and brightest non-fiction writers examines for the first time the story of the Wailers. It charts their complex relationship, their fluctuating fortunes, musical peak, and the politics and ideologies that provoked their split, illuminating why they were not just extraordinary musicians, but also natural mystics. And, following a trail from Jamaica through Europe, America, Africa and back to the vibrant and volatile world of Trench Town, Colin Grant travels in search of the last surviving Wailer.

Editorial Review

Review

"The main merit of this perceptive work is that, by not making Marley its focus, it gets closer to the truth about him than most other biographers... Colin Grant has composed a highly evocative and original account of a misunderstood group, and the misunderstood man at its core."

—*Literary Review*

"Provides a lively introduction to the life and times of the Wailers and, incidentally, to the neo-African religions and animist cults of beautiful, bedevilled Jamaica."

—*Sunday Times*

About the Author

COLIN GRANT is an independent historian and producer for BBC radio. The son of Jamaican emigrants, he lives in Brighton.

Users Review

From reader reviews:

Tatum Martin:
