Dana Steele has always found her greatest passion in books. But now her boss is making her job as a librarian a living hell. Luckily, she now has a Plan B...

High on a hill overlooking the town of Pleasant Valley, Pennsylvania, sits the Warrior's Peak estate. It's where Dana was invited to meet Malory Price and Zoe McCourt—and where they learned that they were destined to find three keys to unlock a box holding the souls of three mythical demigoddesses: one an artist, one a bard, and one a warrior.

With the promise of a million dollars each dangled before them, the women couldn't refuse. And as Malory found the first key, they formed a fast friendship and decided to go into business together. For Dana, that meant her dream of owning a bookstore was about to come true.

And now, as Dana finds herself on the threshold of some major life changes, it's her turn to find a key. She has four weeks to unravel a riddle involving her past, present, and future, and to find the truth hidden among deception and lies—or succumb to her worst nightmare.

Editorial Review

From Publishers Weekly

Following hot on the heels of the first installment in Roberts's Key trilogy, this second book (following *Key of Light*) continues the story of three contemporary female friends chosen to free the souls of ancient demigoddesses called the Daughters of Glass. This time, the heroine is Dana Steele, a librarian who is sure that the key she's seeking lies in a book. As she begins her search, Dana renovates Indulgence, the gallery-cum-salon-cum-bookstore she is opening with her friends Malory Price and Zoe McCourt. She also spends sometimes passionate, sometimes vexing time with Jordan Hawke, the thriller writer who broke her heart years earlier when he abandoned her and their small Pennsylvania town of Pleasant Valley to seek fame in New York. Dana slowly realizes that the love they once felt for each other has not died—and that Jordan's writing is inextricably entwined with her supernatural quest. In the end, Jordan must join with Dana to fight the spells of the sorcerer Kane and fulfill the terms of her quest. Despite lots of special effects, Kane isn't powerful enough to create much suspense, and Dana is a surprisingly inefficient detective for one so bright. But Roberts's zesty characterizations and fresh, energetic style succeed in drawing readers into this far-fetched tale.

Starred Review A mysterious invitation brings three strangers--gallery manager Malory Price, librarian Dana Steele, and hairdresser Zoe McCourt--to Warrior's Peak, a castlelike estate outside of Pleasant Valley, Pennsylvania, where their elegantly enigmatic hosts, Rowena and Pitte, offer the opportunity to participate in an unusual quest. Malory, Dana, and Zoe will each have 28 days to find one of the keys to a mystical box, which holds the trapped souls of three sister Celtic demigoddesses imprisoned by a jealous sorcerer. *Key of Knowledge*, the second book, following *Key of Light*, in Roberts' irresistible new trilogy, centers on Dana, whose search leads her to author Jordan Hawke, but their prior romantic history complicates things when the two of them are forced into working together to locate the next key. Roberts, the ultimate romance writer, has once again created a triptych that has all the sexy chemistry, sharp wit, and bliss-inducing pacing that her readers desire. *John Charles*
