Love Over Scotland (44 Scotland Street Series) By Alexander McCall Smith

### 44 SCOTLAND STREET - Book 3

**The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother.**

This just in from Edinburgh: the complicated lives of the denizens of 44 Scotland Street are becoming no simpler. Domenica Macdonald has left for the Malacca Straits to conduct a perilous anthropological study of pirate households. Angus Lordie's dog, Cyril, has been stolen, and is facing an uncertain future wandering the streets. Bertie, the prodigiously talented six-year-old, is still enduring psychotherapy, but his burden is lightened by a junior orchestra's trip to Paris, where he makes some interesting new friends. Back in Edinburgh, there is romance for Pat with a handsome young man called Wolf, until she begins to see the attractions of the more prosaically named Matthew.

Teeming with McCall Smith's wonderful wit and charming depictions of Edinburgh, *Love Over Scotland* is another beautiful ode to a city and its people that continue to fascinate this astounding author.

### Editorial Review

From Publishers Weekly

The irresistible third entry to the 44 Scotland Street series picks up with the residents of 44 Scotland Street where *Espresso Tales* left off and is as addictive as any book McCall Smith has written. Anthropologist Domenica has flown off to the Straits of Malacca to study modern-day pirates. Back in Edinburgh, Pat moves from 44 Scotland Street and develops a crush on fellow art student Wolf, whose strange ways hint at a darker subplot that involves Pat's flatmate. Pat moves in with gallery owner Matthew, who struggles with both a sudden fortune and a yearning for Pat. Meanwhile, child prodigy saxophonist Bertie becomes a reluctant member of the Edinburgh Teenage Orchestra at age six and later, on a trip to Paris, finds himself wonderfully unsupervised. Poet/portrait painter Angus is tormented by the theft of his beloved dog Cyrus. The proceedings sparkle with McCall Smith's trademark wit (It was not always fun being a child, just as it had not always been fun being a medieval Scottish saint), proving once again, he's a true treasure.

Illustrations by Iain McIntosh enliven the text. (*Nov.*)
