Editorial Review

Review

"J.P. Moreland exemplifies the Christian mind as it ought to be—tough and analytic, but also generous and caring. Christians who want to develop their minds in the service of Christ couldn't find a better teacher, or a better book for the task." -- *Phillip E. Johnson, author of Darwin on Trial*

"This is more than just another Christian book. It is the wake-up call that the church needs today. God gave us minds for a reason. It is crucial that we become like Christ in the way we think. If we heed J.P.'s words, we can counter the culture in which we live, work, think, and minister." ---*Josh McDowell, Josh McDowell Ministries*
