### Editorial Review

#### Review

"Sara Hartmann has found a way to use classic and simple crochet stitches to almost magically explore construction technique and shawl shapes to create beautiful drape and simple sophistication. She has used a great selection of yarns in her designs, some from traditional big box manufacturers and many from independent spinners and dyers. Paired with her great design ideas, she achieves some astonishing results from simple everyday stitches." --Crochet Queen

"From the cover to the end of the book, I was impressed with the stunning photography which is beautiful and fitting for the 'poetic' inspiration of this work. The photography is also very detailed and instructive. The close up shots of the designs not only show you the pattern of the stitch work, but also gives you an almost three dimensional feel for the yarn being used. I can feel the crocheted fabric in my mind as I flip through page after page." --Bonnie Bay Crochet
