Editorial Review

Review

"Classic and cutting edge techniques... are covered in detail by an author whose experience is clear on every page...Quite simply, there is no other underwater photography text in print that deals with as many ideas and techniques as this one." —*Wetpixel*

"Alex Mustard is the modern master of what he does, and willingly reveals to others, by way of escorted photo-safaris, how he does it...disguising his superb photos in this book as demonstrations of how to do it, or as inspiration to others to have a go themselves." —*Undercurrent*

"Beautifully illustrated and packed with information, this book is the brainchild of Dr. Alex Mustard...undoubtedly the most popular underwater photographer we have seen for many years." —*Divernet*

"The book is jam-packed full of stunning images from [Mustard's] worldwide travels from West Papua to the Egyptian sea." —*The Daily Mail*

"It is full of mind-blowingly good images. As you then delve in more deeply, you find all the information you need to do just that – improve your photography. There is no doubt that this will be considered THE essential read for those who are just starting out in underwater photography all the way to the seasoned pros." —*Scubaverse*

"The underwater photography community is going to benefit from [this book] for a long time to come." —*Underwater Photography Magazine*

"This book will be invaluable for anyone seriously interested in underwater photography and those who are fascinated with creatures of the deep." —*Library Journal*
