Editorial Review

Review

"Glantz and House are writing the definitive history of the Stalingrad campaign. Their trilogy, backed by meticulous scholarship and refreshingly fair minded, significantly alters long-accepted views of several important aspects of the campaign. . . . A monumental work that is unlikely to be surpassed as an account of the most important single campaign of the Second World War."—**Evan Mawdsley**, author of *Thunder in the East: The Nazi-Soviet War, 1941–1945* "A magisterial study that draws on a wealth of previously inaccessible Red Army records and will be indispensable reading for all serious students of the battle."—**Michael K. Jones**, author of *Stalingrad: How the Red Army Triumphed*

"David Glantz has done something very few historians achieve. He has redefined an entire major subject: the Russo-German War of 1941-1945."—**World War II**

"After providing us with the magisterial *When Titans Clashed*, Glantz and House have now supplemented this account with a masterful documentation of Stalingrad."—**The Russian Review**

"The team of Glantz and House has once again collaborated and has successfully completed the superb trilogy on Stalingrad."—**Army History**

"Fifteen years ago the late John Erickson wrote that the research of Glantz and House reflected an 'encyclopaedic knowledge' of the Nazi-Soviet war and constituted a benchmark for excellence in the field. The Stalingrad trilogy reflects the fact that they maintain that standard, while bringing to light a new understanding of many old questions."—**War in History**

About the Author

David M. Glantz and Jonathan M. House have collaborated on all three volumes of the Stalingrad Trilogy, as well as on the books *When Titans Clashed: How the Red Army Stopped Hitler* and *The Battle of Kursk*. A retired U. S. Army colonel fluent in Russian, Glantz is the author of numerous books, including *The Battle for Leningrad, 1941-1944*; *Colossus Reborn: The Red Army at War*, and *Red Storm over the Balkans: The Failed Soviet Invasion of Romania*. House is the author of *Combined Arms Warfare in the Twentieth Century*.

Users Review
