

History of English (Language Workbooks)

By Jonathan Culpeper

History of English (Language Workbooks) By Jonathan Culpeper

Whilst maintaining the accessibility for the beginner, the level of this second edition has been raised by the addition of much more detail, a greater focus on theories and controversies, and a clearer route to key works in the field. *History of English*:

- examines the history of the English language in order to explain the English that is used today
- introduces key linguistic concepts
- provides 'discussion points' to generate debate
- involves readers in collecting and analyzing their own data
- contains a 'mini-corpus' of texts, used for exercises and to illustrate points raised in the commentary.

Revised throughout, this updated edition contains a new internet resource section and an updated further reading section, to help readers take their study further.

Editorial Review

Review

'This second edition ... retains the outstanding features of the first edition – it covers all the topics relevant to a study of the history of English. In addition, the second edition brings with it a new rigour and a fuller and more careful and detailed account of, in particular, spelling and speech sounds, grammar, dialects and standardisation. I congratulate the author on the improvements made in this second edition.' – Sue Powell, University of Salford, UK

About the Author

Jonathan Culpeper is based at the Department of Linguistics and Modern English Language at the University of Lancaster.

Users Review

From reader reviews:

Stacy Vincent:

What do you concentrate on book? It is just for students because they are still students or the idea for all people in the world, exactly what the best subject for that?
