### **Editorial Review**

#### Review

Siski Green's sex writing makes for compulsive reading - her popularity with our readers is testament to that. She consistently manages to find genuinely new approaches to sex - a topic on which it's difficult to say something original, yet she does so with wit and intelligence. Morgan Rees, editor of Men's Health magazine Selecting Siski Green's work for the [National Magazines Feature Writer of the Year] award was easy as it was by far the best out of the entries. I've really enjoyed reading her sex writing in Men's Health. James Brown, former editor of Loaded magazine, columnist and editorial consultant Siski Green delivers provocative prose that dances and teases on the page. As Justin Timberlake brought the sexy back to music, she has brought it back to writing.' Neil Morton, Editor of 2 magazine, for couples 'Siski Green has her finger on the sexual pulse - she knows which questions to ask and to get the answers readers want.' Dr Ian Kerner, clinical sexologist and author of She Comes First: The Thinking Man's Guide to Pleasuring a Woman (HarperCollins) Siski Green's writing is clever, humorous and informative - I enjoy reading what she has to say as I'm certain her readership do.' Dr Pam Spurr, author of Sizzling Sex - The Sex Doctor's 250 Hottest Tips, Tricks And Techniques (J R Books)
