Nodos Lunares Y Reencarnación (Spanish Edition) By Martin Schulman

Durante mucho tiempo no se ha comprendido la importancia de los nodos lunares en las cartas astrales. Ahora en este primer volumen de Astrología kármica. Martín Schulman nos proporciona un admirable estudio de los nodos de la Luna; con profundidad y precisión. penetra en la esencia de su interpretación kármica. El nodo sur simboliza el pasado del hombre y representa el efecto acumulado de las aptitudes, sucesos y hábitos de reencarnaciones previas; a la vez, es el fundamento sobre el cual se edifica la vida presente y un punto de posible debilidad del individuo. El nodo norte simboliza el futuro, representa el área en la que el individuo puede profundizar y llegar a las más altas expresiones anímicas en su actual existencia. Nodos lunares y reencarnación describe con gran detalle cada una de las posiciones de los nodos a través de cada signo y de cada casa. Además se presentan los aspectos de los nodos, la interpretación de las cartas astrales tomadas como ejemplo y efemérides completas de los nodos desde el año 1850 al 2000.
