The New Adventures of Curious George By H. A. Rey, Margret Rey

H.A. Rey and his wife Margret first introduced young readers to the big-hearted, fun-loving troublemaker-hero Curious George in 1941. In this 200-page hardcover treasury, Curious George fans will find eight stories based on the popular primate, painted in Rey's original watercolor and charcoal style: *Curious George Goes to a Chocolate Factory* (1998), *Curious George and the Puppies* (1998), *Curious George Makes Pancakes* (1998), *Curious George Feeds the Animals* (1998), *Curious George Goes to a Movie* (1998), *Curious George and the Hot Air Balloon* (1998), *Curious George in the Snow* (1998), and *Curious George's Dream* (1998). A five-page essay about the author-illustrator team closes this appealing collection of adventures for Curious George fans young and old.

Editorial Review

Amazon.com Review

"This is George. George was a good little monkey and always very curious." Upon hearing these words, generations of children have settled in for a cozy interlude of adventures with their favorite trouble-mongering chimp. Fans of the insatiably inquisitive George will be delighted to find that eight new adventures, written and illustrated in the style of George's creators, have been collected in one big blue book. Each story follows the same pattern; the man with the yellow hat trustingly leaves George alone for just a minute--which is long enough for him to get into a peck of trouble. The lovable monkey tempts disaster and saves the day over and over, first in a chocolate factory, then in an animal shelter, a movie theater, a hot air balloon... but can we blame him? Who hasn't wondered how chocolates get their swirls, or what makes a movie appear on the screen?

Featuring the art of Vipah Interactive, the animators of Curious George CD-ROMs, these stories are every bit as hilariously satisfying as those of the Reys. Curious about George's other escapades? Try *The Complete Adventures of Curious George*. (Ages 4 to 8) --*Emilie Coulter*

About the Author

Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious George was published in 1941. Curious George has been published in numerous languages. And many, many Curious George books have followed.

Users Review

From reader reviews:

Kermit Diaz:
