Two-Lane Blacktop By Rudolph Wurlitzer, Will Corry

A screenplay with 8 pages of black-and-white photographs. The 1971 road movie was directed by Monte Hellman, starring singer-songwriter James Taylor, the Beach Boys drummer Dennis Wilson, Warren Oates, and Laurie Bird. Esquire magazine declared the film its movie of the year (although it was not a commercial success). The film has since become a counterculture-era cult classic, notable as a time capsule of U.S. Route 66 during the pre-Interstate Highway era, and for its stark footage and minimal dialogue. Two-Lane Blacktop has been compared to similar road movies with an existentialist message from the era, such as *Vanishing Point*, *Easy Rider*, and *Electra Glide in Blue*. In 2012, the film was selected for preservation in the United States National Film Registry by the Library of Congress as being "culturally, historically, or aesthetically significant."
