Editorial Review

From Library Journal

This narrative offers a rich, descriptive account of the author's study of Ethiopian music and culture from 1973 to 1975. Shelemay's study of the sacred music of Beta Israel and Ethiopian Christian musical traditions emanates from numerous ethnographic sources, including field notes, journals, correspondence, and memory. Those who enjoy reading tales of perseverance will appreciate learning of the author's struggles as she, her husband, and other members of the Adenite Jewish community in Addis Ababa adjusted to the Ethiopian revolution's immediate impact. The author presents extraordinary personal experiences that shaped her research process and makes reading this text pleasurable.

Review

"An engrossing first-person narrative." -- Notes

From the Back Cover

"The author's experience with the Beta Israel, the Falashas of Ethiopia, in the early 1970s may be the last in-situ scholarly account we can expect, because the revolution and civil war prevented subsequent access to them... One would not have expected ethnomusicological research to have been quite so exciting nor the scholarly implications of the findings to be so provoking and critical in understanding the social evolution of a population. Highly recommended for both undergraduate and graduate collections in ethnomusicology, anthropology, African, and Judaic studies."-L.D. Loeb, Choice

Users Review

From reader reviews:

Christopher Jones:

As people who live in often the modest era should be up-date about what going on or details even knowledge to make them keep up with the era that is certainly always change and move forward. Some of you maybe may update themselves by studying books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which one you should start with. This A Song of Longing: AN ETHIOPIAN JOURNEY is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Beatrice Rogers:

Reading a guide tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire their very own reader with their story or perhaps their experience. Not only the story that share in the guides. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this A Song of Longing: AN ETHIOPIAN JOURNEY.

Cindi Russell:

Playing with family inside a park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, after that why you don't try issue that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love A Song of Longing: AN ETHIOPIAN JOURNEY, you may enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh occur its mind hangout men. What? Still don't understand it, oh come on its called reading friends.

Michael Anderson:

That guide can make you to feel relax. This book A Song of Longing: AN ETHIOPIAN JOURNEY was colorful and of course has pictures around. As we know that book A Song of Longing: AN ETHIOPIAN JOURNEY has many kinds or variety. Start from kids until teens. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. So , not at all of book are make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading which.
