**Renaissance And Renascences In Western Art (Icon Editions)** By Erwin Panofsky, Lena I. Gedin (Estate of)

*Renaissance and Renascences in Western Art* spans the period from the 10th to the 15th century, including discussion of the Carolingian renaissance and the 12th century proto-renaissance. Erwin Panofsky posits that there were "renascences" prior to the widely known Renaissance that began in Italy in the 14th century. Whereas earlier renascences can be classified as revivals, the Renaissance was a unique instance that led to a wider cultural transformation.

## **Editorial Review**

From the Back Cover

Panofsky's study brings welcome light into the darkness. His subject is the character of Renaissance art--in the strictest sense of the word--and its uniqueness in comparison with art produced during earlier revivals of the classical heritage.

## **Users Review**

**From reader reviews:**

**Thomas Baldwin:**

What do you regarding book? It is not important along? Or just adding material when you require something to explain what the ones you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have spare time? What did you do?
