Editorial Review

Review

Expansive. Illuminating. Colourful. With clear diagrams, pictures, and photos strategically placed throughout, this book is a pleasure to behold. Unlike some encyclopedias, dictionaries, atlases, or similar survey of biblical history, this book packs a wallop without becoming too bulky to carry. Convenient to carry around, the reader will be captivated by the beautiful illustrations, and the clear point by point explanation of the Bible in history. The author's main purpose is to understand world history through the Bible. --Conrade Yap *Book Saint* 2011-10-29

Believers who are also history buffs will appreciate this side-by-side presentation of biblical and world events. Although pastor Leston is not a history professor, he clearly outlines how Scripture is historically grounded and impacts world culture. --JAW *Church Libraries* 2012-03-19

From its beautiful paper to its color photographs and illustrations to its detailed maps and timelines, this book is a gem. --AMB *Church Libraries* 2012-04-16
