## **I Am Zombie RPG: Field Manual** By Mark Rein-Hagen

The world is poised at the brink of an abyss. The final outbreak is coming: you are an outcast and a leper... and highly contagious. The **I AM ZOMBIE: Field Manual** is your key to surviving an outbreak and your half-life after, as a **ToXiK**, an intelligent zombie master. Beautifully illustrated and exhaustive in its detailing of a whole secret world that exists in the shadows of the human world, it covers everything you need to know, including: how to command Skags (the dumb ones), Tox-Speak phrases, the most effective self defense techniques, and how to outfit yourself for the long haul. This is a book for all those clueless Toetags out there who are struggling - as we did - to survive that desperate first year of half-life. It includes:

1. Briefing materials on strains, cartels, and rackets (the type of characters available to play), plus the secret history of the Plagueborn.
2. A global overview of the world and its transit routes, hospices, and Hellholes, with eight (8) pages of maps (everything from Detroit to Dubai).
3. Detailed information on electronic surveillance and quarantines.
4. Advice on how to get off-and stay off-the grid.
5. A comprehensive chapter on human threats, focusing on BLEACH protocols, equipment, and techniques.

From **Mark Rein•Hagen**, creator of Vampire the Masquerade and the World of Darkness.
