**President John Quincy Adams's Quarrel With The Freemasons: John Quincy Adams's Letters And Opinions Of The Masonic Institution** By John Quincy Adams

Such was the revulsion in the United States over the purported murder of William Morgan, an upstate New Yorker who in 1826 disappeared after threatening to expose Masonic secrets, that political groups campaigned to drive Masons out of office and close down their lodges. President John Quincy Adams devoted considerable energy to the controversy, as this remarkable set of letters shows. He not only scorned Freemasonry but opposed college secret societies as well, and his feelings about secrecy continue to be of interest as in a new era we face Wikileaks and other challenges to covert activities.

### **Editorial Review**

#### About the Author

John Quincy Adams was the sixth President of the United States from 1825 to 1829. Often agreed upon as one of the best diplomats to serve in American history, he authored the Monroe Doctrine as well as helping broker the Treaty of Ghent, ending the War of 1812. He also has the distinction of being the only President to later serve in the House of Representatives. Dr. Guillermo De Los Reyes is associate professor at the University of Houston, international president of the honor society Phi Beta Delta, and a life member of Sigma Delta Pi and Phi Sigma Omega. He has written or edited numerous books on secret societies.

##### **Christine Andrews:**

The reason? Because this President John Quincy Adams's Quarrel With The Freemasons: John Quincy Adams's Letters And Opinions Of The Masonic Institution is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will shock you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such incredible way makes the content on the inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking

method. So , still want to hesitate having that book? If I were you I will go to the publication store hurriedly.

**Vincent Olson:**

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this President John Quincy Adams's Quarrel With The Freemasons: John Quincy Adams's Letters And Opinions Of The Masonic Institution can make you experience more interested to read.
