Principles and Practice of Sleep Medicine E-Book (PRINCIPLES & PRACTICE OF SLEEP MEDICINE (KRYGER)) By Meir H. Kryger, Thomas Roth, William C. Dement

Principles and Practice of Sleep Medicine, 5th Edition, by Meir H. Kryger, MD, FRCPC, Thomas Roth, PhD, and William C. Dement, MD, PhD, delivers the comprehensive, dependable guidance you need to effectively diagnose and manage even the most challenging sleep disorders. Updates to genetics and circadian rhythms, occupational health, sleep in older people, memory and sleep, physical examination of the patient, comorbid insomnias, and much more keep you current on the newest areas of the field. A greater emphasis on evidence-based approaches helps you make the most well-informed clinical decisions. And, a new more user-friendly, full-color format, both in print and online, lets you find the answers you need more quickly and easily. Whether you are preparing for the new sleep medicine fellowship examination, or simply want to offer your patients today's best care, this is the one resource to use!

- Make optimal use of the newest scientific discoveries and clinical approaches that are advancing the diagnosis and management of sleep disorders.

Editorial Review

Review

"This is an updated edition of the authoritative and comprehensive book on sleep medicine that is generally considered the bible in the field. As a textbook, it will be useful to trainees in the field of sleep medicine whether they are medical students, residents or sleep fellows. It will also benefit those in other specialties traditionally linked to sleep medicine such as pulmonary medicine, neurology, psychiatry, pediatrics, ENT, obstetrics and women's health, endocrinology, and cardiology. This book remains a valuable contribution to the field."

? Isabel Crisostomo, MD, Rush University Medical Center

5 Star - Doody Rating, March 2013

Users Review

From reader reviews:

Francisca Varney:

What do you about book? It is not important with you? Or just adding material if you want something to explain what the ones you have problem? How about your free time?
