Factoring 101: A Broker's Guide By Robert T. McMahon

Factoring 101: A Broker's Guide is a comprehensive training manual for those seeking a career path to becoming a freelance independent broker in the exciting commercial factoring industry. Factoring 101 is packed with the need-to-know knowledge required to enter this lucrative field and begin earning the residual life-of-account commission income that factoring has become famous for. Although packed with important fundamental industry knowledge, Factoring 101 is also written from the broker's perspective and focuses heavily on marketing and business development. It includes numerous case studies which explain the factoring process in detail as well as an entire chapter devoted to the many niche and specialty areas of this lucrative industry. As the introductory training manual for the IACFB (International Association Of Commercial Finance Brokers), the guide also provides access to the IACFB's Factoring Broker Forums and the Directory of American Factors and Lenders which includes over 500 broker-friendly sources of factoring and alternative commercial finance to assist new brokers in entering the industry the "right way" ..

Editorial Review

Users Review

From reader reviews:

Lewis Labelle:

Reading a guide tends to be new life style in this era globalization. With studying you can get a lot of information that may give you benefit in your life. Using book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire their reader with their story as well as their experience. Not only the storyplot that share in the books. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some investigation before they write on their book. One of them is this Factoring 101: A Broker's Guide.

Rodney Richardson:

The particular book Factoring 101: A Broker's Guide has a lot of information on it. So when you check out this book you can get a lot of gain. The book was authored by the very famous author. The author makes some research ahead of write this book. This specific book very easy to read you can find the point easily after scanning this book.

Mary Bradford:

Do you really one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you find out the inside because don't assess book by its cover may doesn't work the following is difficult job because you are scared that the inside maybe not while fantastic as in the outside appearance likes. Maybe you answer is usually Factoring 101: A Broker's Guide why because the wonderful cover that make you consider regarding the content will not disappoint anyone. The inside or content is definitely fantastic as the outside as well as cover. Your reading 6th sense will directly show you to pick up this book.

Anita Rodriguez:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Factoring 101: A Broker's Guide can make you experience more interested to read.
