Editorial Review

From School Library Journal

Kindergarten-Grade 5 --A new slant on an old, familiar tale. The much maligned A. Wolf tells his side of the story and offers benign explanations for his bad behavior. This translation retains the colorful language and sense of fun found in its English counterpart. Some of the vocabulary is regionalized and may not be universally understood by all Spanish-speaking children without adult clarification. The stylized watercolors with dark shadowing, clever use of perspective, and textured detail will appeal to audiences sophisticated enough to enjoy the tongue-in-cheek humor.
