Editorial Review

Review

"The creators behind *Sex Position Coloring Book: Playtime for Couples* have put a fun spin on position education. The 101 kinky illustrations in the book are surprisingly informative. While there is a touch of humor from the quirky names, like **Thunder Down Under (shower sex) and **The Hasselhoff** (sex on the beach), the playful images are anatomically correct.. The humor makes the book perfect for making a bride blush at a bachelorette party. It's also a handy tool in your own bedroom."**
