The Motorcycle Diaries: Notes on a Latin American Journey By Ernesto Che Guevara, Cintio Vitier, Aleida Guevara

The book of the popular movie STARRING GAEL GARCIA BERNAL
NOW A NEW YORK TIMES BESTSELLER

The young Che Guevara's lively and highly entertaining travel diary, now a popular movie and a New York Times bestseller. This new, expanded edition features exclusive, unpublished photos taken by the 23-year-old Ernesto on his journey across a continent, and a tender preface by Aleida Guevara, offering an insightful perspective on the man and the icon.

“A journey, a number of journeys. Ernesto Guevara in search of adventure, Ernesto Guevara in search of America, Ernesto Guevara in search of Che. On this journey of journeys, solitude found solidarity, ‘I’ turned into ‘we’.” —Eduardo Galeano

“When I read these notes for the first time, I was quite young myself and I immediately identified with this man who narrated his adventures in such a spontaneous manner... To tell you the truth, the more I read, the more I was in love with the boy my father had been...” —Aleida Guevara

“Our film is about a young man, Che, falling in love with a continent and finding his place in it.” —Walter Salles, director of “The Motorcycle Diaries.”

“As his journey progresses, Guevara's voice seems to deepen, to darken, colored by what he witnesses in his travels. He is still poetic, but now he comments on what he sees, though still poetically, with a new awareness of the social and political ramifications of what's going on around him.”—*January Magazine*

Also available in Spanish: DIARIOS DE MOTOCICLETA (978-1-920888-11-4)

Features of this edition include:

- A preface by Che Guevara's daughter Aleida
- Introduction by Cintio Vintier, well-known Latin American poet
- Photos & maps from the original journey
- Postscript: Che's personal reflections on his formative years: "A child of my environment."

Published in association with the Che Guevara Studies Center, Havana

Editorial Review

From Publishers Weekly

Argentine revolutionary Ernesto "Che" Guevara became Fidel Castro's chief lieutenant in the Cuban revolution, Cuba's minister for industry and later a guerrilla in Bolivia, where he was captured and executed in 1967. This high-spirited travel diary of Guevara's eight-month motorcycle journey across Argentina, Chile, Peru, Brazil, Colombia and Venezuela as a 23-year-old medical student in 1951-52 mixes lyrical observation, youthful adventure and anti-imperialist political analysis. With a doctor friend as traveling companion, Guevara stows away on a cargo ship, explores Inca ruins, volunteers as a fireman, visits a leper colony and displays solidarity with miners and farm workers. Guevara's snide passing remarks targeting blacks, homosexuals and Jews reveal an unpleasant side of the countercultural icon. On balance, this candid journal, part self-discovery, part fieldwork, glimmers with portents of the future revolutionary.

Review

"Das Kapital meets Easy Rider." (Times)

"A Latin American James Dean or Jack Kerouac." (Washington Post)

..."Ernesto Guevara in search of Che. On this journey of journeys, solitude found solidarity, 'I' turned into 'we'." (Eduardo Galeano)

"An extraordinary first-person account. ... It redoubles his image and lends a touch of humanity with enough rough edges to invite controversy." (Los Angeles Times Book Review)

"For every comic escapade of the carefree roustabout there is an equally eye-opening moment in the development of the future revolutionary leader. (Time)

"There is pathos in these pages -- the pathos of Che himself, ever thoughtful, ever willing to sacrifice all, burning with guilt over his own privileges and never letting his sufferings impede him." (New Yorker)

"This candid journal, part self-discovery, part fieldwork, glimmers with portents of the future revolutionary." (Publishers' Weekly)

"A revolutionary bestseller... It's true, Marxists just wanna have fun." (Guardian)

"What distinguishes these diaries... is that they reveal a human side to El Che which historians have successfully managed to suppress." (Financial Times)

"This book should do much to humanize the image of a man who found his apotheosis as a late '60s cultural

icon. It is also, incidentally, a remarkably good travel book about South America." (The Scotsman)
