Tunnel in the Sky By Robert A. Heinlein

It was just a test . . .

But something had gone wrong. Terribly wrong. What was to have been a standard ten-day survival test had suddenly become an indefinite life-or-death nightmare.

Now they were stranded somewhere in the universe, beyond contact with Earth . . . at the other end of a tunnel in the sky. This small group of young men and women, divested of all civilized luxuries and laws, were being forced to forge a future of their own . . . a strange future in a strange land where sometimes not even the fittest could survive!

". . . fascinating . . . ingenious . . . this a book in the grand tradition of high literature!"

Editorial Review

From the Publisher

Like many people, I go way, way back with Heinlein. My very favorite book (and one that stands out in my mind--and with much affection--to this day) is *Tunnel in the Sky*. I really, really wanted to go off to explore new worlds with a covered wagon and horses, like the hero does at the very end of the book. But one of the nice things about Robert Heinlein is that he's got something for everyone. One of my best friends has a different favorite: *Podkayne of Mars*. Go figure.

--Shelly Shapiro, Executive Editor

From the Inside Flap

It was just a test . . .

But something had gone wrong. Terribly wrong. What was to have been a standard ten-day survival test had suddenly become an indefinite life-or-death nightmare.

Now they were stranded somewhere in the universe, beyond contact with Earth . . . at the other end of a tunnel in the sky. This small group of young men and women, divested of all civilized luxuries and laws, were being forced to forge a future of their own . . . a strange future in a strange land where sometimes not even the fittest could survive!

About the Author

Robert A. Heinlein (1907–1988) is widely recognized as one of the greatest science fiction authors of all time, a status confirmed in 1974 when the Science Fiction and Fantasy Writers of America gave him their first Grand Master Award for lifetime achievement. A four-time Hugo Award winner, Heinlein is best known for works including *Starship Troopers*, *The Moon Is a Harsh Mistress*, and the sensational bestseller *Stranger in a Strange Land*.

Users Review

From reader reviews:

Eleanor Rowe:

In this 21st hundred years, people become competitive in most way. By being competitive now, people have do something to make all of them survives, being in the middle of often the crowded place and notice by simply surrounding. One thing that at times many people have underestimated the item for a while is reading. Sure, by reading a e-book your ability to survive increase then having chance to endure than other is high. In your case who want to start reading the book, we give you that *Tunnel in the Sky* book as nice and daily reading publication. Why, because this book is usually more than just a book.

Jeremy Windham:

Information is provisions for folks to get better life, information presently can get by anyone in everywhere. The information can be a information or any news even a huge concern. What people must be consider while those information which is within the former life are challenging to be find than now's taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you find the unstable

resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Tunnel in the Sky as the daily resource information.

Troy Kemp:

Are you kind of occupied person, only have 10 or maybe 15 minute in your moment to upgrading your mind talent or thinking skill also analytical thinking? Then you are having problem with the book in comparison with can satisfy your short space of time to read it because this all time you only find guide that need more time to be go through. Tunnel in the Sky can be your answer given it can be read by a person who have those short extra time problems.

Michael Robinson:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Tunnel in the Sky can make you truly feel more interested to read.
