Editorial Review

About the Author

David M. Kennedy received his Ph.D. from Yale University. He is the Donald J. McLachlan Professor of History Emeritus and co-director of The Bill Lane Center for the Study of the North American West at Stanford University. His first book, *BIRTH CONTROL IN AMERICA: THE CAREER OF MARGARET SANGER*, was honored with both the Bancroft Prize and the John Gilmary Shea Prize. He has won numerous teaching awards at Stanford, where he teaches both undergraduate and graduate courses in American political, diplomatic, intellectual, and social history, and in American literature. Dr. Kennedy published a volume in the *OXFORD HISTORY OF THE UNITED STATES*, *FREEDOM FROM FEAR: THE AMERICAN PEOPLE IN DEPRESSION AND WAR, 1929--1945*, for which he was honored with the 2000 Pulitzer Prize. He is an elected fellow of the American Academy of Arts and Sciences and of the American Philosophical Society, and he served from 2002--2011 on the board of the Pulitzer Prizes.

Lizabeth Cohen received her Ph.D. from the University of California, Berkeley. She is the Howard Mumford Jones Professor of American Studies in the history department and the Dean of the Radcliffe Institute for Advanced Study at Harvard University. In 2007--2008 she was the Harmsworth Professor of American History at Oxford University. Previously, she taught at New York University and Carnegie Mellon University. The author of many articles and essays, Dr. Cohen was a Pulitzer Prize finalist for her first book, *MAKING A NEW DEAL: INDUSTRIAL WORKERS IN CHICAGO, 1919--1939*, for which she later won the Bancroft Prize and the Philip Taft Labor History Award. She authored *A CONSUMERS' REPUBLIC: THE POLITICS OF MASS CONSUMPTION IN POSTWAR AMERICA* (2003), and is currently writing *SAVING AMERICA'S CITIES: ED LOGUE AND THE STRUGGLE TO RENEW URBAN AMERICA IN THE SUBURBAN AGE*, on urban renewal in American cities after World War II. At Harvard, she has taught courses in 20th century American history, with particular attention to the intersection of social and cultural life and politics. She now oversees the Radcliffe Institute, a major center for scholarly research, creative arts, and public programs.

Thomas A. Bailey (1903-1983) taught history at his alma mater, Stanford University, for nearly forty years. Long regarded as one of the nation's premier historians of American diplomacy, he was honored by his colleagues in 1968 with election to the presidencies of both the Organization of American Historians and the Society for Historians of American Foreign Relations. He was the author, editor, or co-editor of some twenty-books, but the work in which he took the most pride was *The American Pageant* through which, he liked to say, he had taught American history to several million students.

Users Review

From reader reviews:

Grace Moreno:
