Editorial Review

Review

"This exceptionally informative textbook adds to the developing literature supporting physical therapies in the broadest sense, to include bodywork and massage. The accompanying DVD is of professional quality and provides full video commentary of many of the techniques covered in the volume." **Modalities for Massage and Bodywork October 2009**

Users Review

From reader reviews:

Danny Chamberland:

Do you have favorite book? For those who have, what is your favorite's book? Book is very important thing for us to find out everything in the world.
