Editorial Review

Review

"It is impossible to read this startling and entertaining book without an enlarged sense of total human possibility and an increased receptivity—'open-endedness' as Thomas Mann called it—to the still living past."

—Robert Gorham Davis

About the Author

Joseph Campbell was interested in mythology since his childhood in New York, when he read books about American Indians, frequently visited the American Museum of Natural History, and was fascinated by the museum's collection of totem poles. He earned his B.A. and M.A. degrees at Columbia in 1925 and 1927 and went on to study medieval French and Sanskrit at the universities of Paris and Munich. After a period in California, where he encountered John Steinbeck and the biologist Ed Ricketts, he taught at the Canterbury School, then, in 1934, joined the literature department at Sarah Lawrence College, a post he retained for many years. During the 1940s and '50s, he helped Swami Nikhilananda to translate the Upanishads and **The Gospel of Sri Ramakrishna**. The many books by Professor Campbell include **The Hero with a Thousand Faces**, **Myths to Live By**, **The Flight of the Wild Gander**, and **The Mythic Image**. He edited **The Portable Arabian Nights**, **The Portable Jung**, and other works. He died in 1987.

Users Review

From reader reviews:

Sheilah Harvey:

Nowadays reading books be than want or need but also become a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information.
