### Editorial Review

#### Review

"Students with little or no background in philosophy would likely find it difficult—if not impossible—to comprehend the works of many of the philosophers addressed in each volume on their own. However, this text's informative introductions and careful selection of readings make it possible for students to get a foothold in their primary texts....Students are afforded the opportunity to engage with the works of these illustrious but often inscrutable thinkers." — Jennifer McMahon, Centre College

"This collection is by far the best I have seen in this area....And I certainly prefer having all of my material together in one text rather than having students purchase half a dozen books, which then still require supplementation. I cannot imagine a better format or selection of materials that would tempt me away from this collection for another." — Ted Toadvine, Emporia State University

#### From the Back Cover

*Esteemed for providing the best available translations, Philosophic Classics: From Plato to Derrida, features complete works or complete sections of the most important works by the major thinkers, as well as shorter samples from transitional thinkers.*

First published in 1961, Forrest E. Baird's revision of *Philosophic Classics*, Pearson Education's long-standing anthology (available in split volumes), continues the tradition of providing generations of students with high quality course material. Using the complete works, or where appropriate, complete sections of works, this anthology allows philosophers to speak directly to students.

#### About the Author

**Forrest Baird** has taught at Whitworth since 1978. In addition to teaching a variety of courses in philosophy, most summers he teaches for Fuller Theological Seminary in extension programs throughout the West. Dr. Baird has a B.A. from Westmont, an M.Div. from Fuller, and an M.A. and Ph.D. in philosophy from Claremont Graduate University. Dr. Baird's most recent scholarly work has been editing the six-volume *Philosophic Classics* series. His other works include editing the book, *Human Thought and Action: Readings in Western Intellectual History*, and co-authoring (with Jack Rogers) *Introduction to Philosophy: A Case Study Approach*.

### Users Review

#### From reader reviews:

#### Shirley Smith:

What do you think of book? It is just for students as they are still students or it for all people in the world, the

actual best subject for that? Only you can be answered for that problem above. Every person has different personality and hobby for each other. Don't to be pushed someone or something that they don't need do that. You must know how great and also important the book *Philosophic Classics: From Plato to Derrida* (Philosophical Classics). All type of book could you see on many resources. You can look for the internet options or other social media.

### **Calvin Lee:**

In this 21st centuries, people become competitive in most way. By being competitive today, people have do something to make these individuals survives, being in the middle of typically the crowded place and notice by simply surrounding.
