The Ducati Monster Bible: New Updated & Revised Edition By Ian Falloon

When Ducati unleashed Galluzzi's Monster at the Cologne Show at the end of 1992, few expected it to become Ducati's most successful model. Dramatically styled, minimalist in stature, yet bristling with innovative engineering, the 900 Monster created a new niche market. A multi-faceted machine, the Monster bridged the gap between racetrack oriented sports bikes and cruisers. Here was a naked motorcycle that was as much a performance machine as a cruiser. The Monster's radical styling has also been the inspiration for a large after-market industry, providing cosmetic and performance accessories, and with engine capacities ranging from 400 to 1100cc there really is a Monster for everyone. This book provides a guide through the maze of Monsters produced over the past 18 years.

Editorial Review

Review

"Author Ian Falloon is the acknowledged master of this type of books and Italian bikes in general and the first edition was brilliant excellent, so by definition so is this latest work with extra pages covering the last three years evolution is equally so ... The quality and size of this hardback is the same and typical of all Veloce publications providing a fascinating guide through the maze of Monsters produced over the past 21 years. If you own one you cannot afford not to have this book on the shelf as a reference work, or if you just want to see what the attraction is for these models, then it is a great general read." - *Ian Kerr - Freelance*

"plenty of useful information and even stuff I didn't know ... As usual with Ian's books, this one's a must have." - *Benzina*

About the Author

One of the world's foremost motorcycle historians, **Ian Falloon** is the author of more than twenty books on motorcycles including the The Ducati 750 Bible, Ducati 900 Bible, Ducati Story, Moto Guzzi Story, Honda Story, Kawasaki Story, BMW Story, Moto Guzzi Sport Bible and Laverda Twin and Triple Bible. He has a small collection of classic sporting motorcycles, including a 1974 Ducati 750 Super Sport that he has owned since 1976. A freelance contributor to a number of motorcycle magazines around the world, Ian Falloon was born in New Zealand but currently lives in Australia with his wife Miriam, and sons Ben and Tim.

Users Review

From reader reviews:

Margaret Head:
