Editorial Review

Review

"It can ...be used as a college-level business text, as it includes 'questions to think about' at chapter's end and includes numerous charts, graphs, and case studies in the course of exploring a change manager's processes. References and insights into how change management concepts can be applied across the board to a wide variety of scenarios makes this a solid reference."

(California Bookwatch, The Business Shelf *Midwest Book Review*)

About the Author

APMG is a leading global Examination Institute and the Official Accreditor of the UK Government's Cabinet Office and by the United Kingdom Accreditation Service (UKAS). They accredit professional training and consulting organizations and manage certification schemes for knowledge-based workers.
