The Little Copper Penny By Stephenie Barker

BIG, SHINY, COPPER, OR SMALL YOU ARE STILL WORTH IT ALL. It makes "cents" to know your worth! Little Copper Penny is sad because all the other coins say pennies are worthless. Luckily Grandpa Wheat who has been around for a very long time knows just how Little Copper Penny feels and exactly what to say to cheer him up! A charming story about accepting who you are, Stephenie Barker's The Little Copper Penny not only makes counting fun but also reminds you to know your worth, no matter what others say. Join Little Copper Penny and Grandpa Wheat for a memorable rhyme that will help you see that no matter who (or what) you are, you have value! "Stephenie has shown us that these little but mighty pennies have the ability to inspire every child, encouraging them to recognize their own uniqueness and self-worth." -Blaine Riney, Senior Loan Officer, First National Bank Mortgage

Editorial Review

Review

The Little Copper Penny is a fun way to help kids learn about the value of coins but more importantly to help them learn that everyone has value. --Dennis Fitzgerald, Banking Center Manager, Comerica Bank

Highly recommended. A fun, engaging way to introduce children to money and how to count. --Linda Greiner, author of the Sashi children's book series

Wow! What a great way to teach little ones the differing values of coins. Younger elementary students will read this book over and over. --Sheryl Dougherty, Retired Elementary/Middle School Teacher and Grandmother

About the Author

Stephenie Barker has been teaching her children the value of planning and saving money since they were very young and imparting strong principles and life guidelines to them. With The Little Copper Penny, Stephenie hopes to do the same for children everywhere and show young minds the value and importance of every little cent. She is also proud and overjoyed to see children taking a greater message away from her book: that everything and every person has value, no matter how big or small they may be.

Users Review

From reader reviews:

Mary Kenney:

In this 21st hundred years, people become competitive in each and every way. By being competitive now, people have do something to make them survives, being in the middle of often the crowded place and notice through surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Yes, by reading a book your ability to survive raise then having chance to stay than other is high. To suit your needs who want to start reading any book, we give you this kind of The Little Copper Penny book as nice and daily reading book. Why, because this book is greater than just a book.

Bettye Heinrich:

The book The Little Copper Penny has a lot info on it. So when you check out this book you can get a lot of help. The book was authored by the very famous author. Mcdougal makes some research prior to write this book. This book very easy to read you can obtain the point easily after perusing this book.

Craig Palmer:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you could have done when you have spare time, after that why you don't try point that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Little Copper Penny, you could enjoy both. It is fine combination right, you still wish to miss it? What kind of hang-out type is it?

Oh can occur its mind hangout guys. What? Still don't get it, oh come on its referred to as reading friends.

Marcie Johnson:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information from a book. Book is created or printed or highlighted from each source that filled update of news. With this modern era like at this point, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just in search of the The Little Copper Penny when you needed it?
