### All Fall Down (Embassy Row, Book 1) By Ally Carter

Grace Blakely is absolutely certain of three things:

1. She is not crazy.
2. Her mother was murdered.
3. Someday she is going to find the killer and make him pay.

As certain as Grace is about these facts, nobody else believes her -- so there's no one she can completely trust. Not her grandfather, a powerful ambassador. Not her new friends, who all live on Embassy Row. Not Alexei, the Russian boy next door, who is keeping his eye on Grace for reasons she neither likes nor understands.

Everybody wants Grace to put on a pretty dress and a pretty smile, blocking out all her unpretty thoughts. But they can't control Grace -- no more than Grace can control what she knows or what she needs to do. Her past has come back to hunt her . . . and if she doesn't stop it, Grace isn't the only one who will get hurt. Because on Embassy Row, the countries of the world stand like dominoes, and one wrong move can make them all fall down.

## Editorial Review

From School Library Journal

Gr 8 Up—As she has been told repeatedly, Grace Blakely's mother was killed in an unfortunate fire that destroyed the small antiques shop she owned. But Grace was there, and she remembers the gun, the bullet wound in her mother's chest, a man with a facial scar, and an explosion just before the shop was engulfed in flames. After three years in treatment for post-traumatic stress, the 16-year-old has returned to where she spent her childhood. With her father constantly away on military missions, she's once again living in the U.S. embassy in Adria, Italy, where her grandfather serves as ambassador. She doesn't want to be there, tortured by constant reminders of her mother and surrounded by people who believe that the death was an accident. She knows everyone thinks she's crazy, but the teen is determined to prove that her mother was murdered. As the ambassador's granddaughter, she is expected to observe embassy protocol, but when she spots a man with the same facial scar she remembers from the antiques shop, her reaction threatens U.S. diplomatic relations with every country on Embassy Row, not to mention Adria itself. With the assistance of some unexpected allies, Grace plots a way to bring the man she believes to be her mother's killer to justice. Grace's justifiable anger and spunk are sure to resonate with teens. With its intrigue and clever plot twists, this series opener will leave readers hungering for more.—Cary Frostick, formerly at Mary Riley Styles Public Library, Falls Church, VA
