**Bride of Pendorrac: The Classic Novel of Romantic Suspense** By Victoria Holt

Favel Farrington meets Roc Pendorrac on the idyllic Mediterranean island of Capri, where she was raised and lives with her father. Roc sweeps her off her feet, taking her from her home by an emerald sea to the ancient family home of the Pendorracs, in Cornwall. His sister and her family await them with open arms, welcoming young Favel. She is the much anticipated Bride of Pendorrac, a name that amuses and flatters her.

The castle is beautiful in its way, but the atmosphere is foreboding. Roc's twin nieces begin watching her carefully; even the stones in the courtyard seem to have eyes. On the walls hang portraits of two other Brides of Pendorrac—one of them Roc's mother—who died both young and tragically. Favel's fear increases as Roc seems to be growing more and more distant. Has her courtship and marriage been just a deception?

Soon Favel can no longer dismiss as accidents the strange things happening to her. Someone is trying to kill her and she must confront the very real dangers that surround her.

From the Inside Flap

Favel Farington knew very little about her new husband. When they met in Capri, the dashing young heir to Pendorric had swept the lovely English girl into marriage with the sudden fierceness of a summer storm.

It was all wonderfully exciting, until Favel discovered that someone was planning a very special place for her in the family -- in the crypt with the other legendary "brides of Pendorric" who had all died so mysteriously, so tragically, and so young.

Suddenly the words "till death do us part" took on a new and ominous meaning....
