Editorial Review

From Publishers Weekly

Within the first few pages of Sanders's disappointing 20th novel, we are introduced to a latter-day Rasputin--a wild-eyed, lustful "holy man" who preaches out of a ramshackle barn in Virginia--and have had a glimpse of his kinky sexual practices. Then we are privy to a discussion among the U.S. president's key staff members, who deliberate whether the Chief Executive and the First Lady might be heading for mental breakdowns because of their concern for their only son, a hemophiliac. The pace of this derivative thriller slackens thereafter, as these two plot threads become entwined. Brother Kristos, as the mysterious faith healer has christened himself, soon has the First Couple--and a goodly segment of official Washington's womenfolk--under his considerable spell. John Tollinger, an executive assistant to the White House chief of staff, is assigned to expose Kristos as a charlatan--not an easy task, given the man's apparent ability to see both the hidden past and unknown future of many of those he meets. It is all most improbable, even in an era when presidents consult astrologers, and the ending rings false, rendering this one of Sanders's least effective efforts. Literary Guild and Doubleday Book Club alternates.

From reader reviews:

Mark Hart:

This Capital Crimes book is not really ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is usually information inside this reserve incredible fresh, you will get facts which is getting deeper anyone read a lot of information you will get. This particular Capital Crimes without we recognize teach the one who examining it become critical in pondering and analyzing. Don't end up being worry Capital Crimes can bring any time you are and not make your bag space or bookshelves' turn into full because you can have it inside your lovely laptop even phone. This Capital Crimes having very good arrangement in word along with layout, so you will not sense uninterested in reading.

Tammy Booker:

Information is provisions for individuals to get better life, information today can get by anyone on everywhere. The information can be a expertise or any news even a problem. What people must be consider while those information which is from the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you receive the unstable resource then you understand it as your main information it will have huge disadvantage for you.

All those possibilities will not happen inside you if you take Capital Crimes as the daily resource information.

Jerry Jackman:

Reading a book can be one of a lot of pastime that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a publication will give you a lot of new facts. When you read a e-book you will get new information mainly because book is one of many ways to share the information or even their idea. Second, studying a book will make you actually more imaginative. When you reading a book especially fictional works book the author will bring one to imagine the story how the characters do it anything. Third, you could share your knowledge to others. When you read this Capital Crimes, you are able to tells your family, friends and soon about yours book. Your knowledge can inspire the mediocre, make them reading a reserve.

Todd Apperson:

A lot of people always spent their very own free time to vacation or go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent that they free time just watching TV, or even playing video games all day long. If you want to try to find a new activity that's look different you can read some sort of book. It is really fun in your case. If you enjoy the book that you just read you can spent all day long to reading a book. The book Capital Crimes it is quite good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. In the event you did not have enough space to bring this book you can buy typically the e-book. You can m0ore quickly to read this book from the smart phone. The price is not too costly but this book has high quality.
