**Into the Dark Lands (The Sundered, Book 1)** By Michelle Sagara West, Michelle Sagara West

War has its cost, and the Servants of the Bright Heart and the Servants of the Dark Heart have been locked in a struggle that has defined life—and death—for millennia. But the end is coming, and only the Lady who has served the Bright Heart for the whole of her immortal life has seen it, in a vision that spans time and demands the highest of prices.

Erin is a healer, and against the nature of her birthright she has learned to wield a sword and use it to bring death to the enemies of her people. Scarred by the losses that war always demands, she is the chosen champion of Light and the enemy of darkness.

But no magical sword or simple quest awaits Erin. Her journey and her doom lie in the Dark Heart's stronghold, and in the hands of her people's greatest enemy.

### **Editorial Review**

From the Inside Flap

Since the beginning, Bright Heart had warred against Dark, dual divinities locked in titanic struggle . . .

Now the Lady, First Servant of the Bright Heart, had pierced the veil of time, where the future held only one slim hope for the forces of the Light . . .

Erin was already a warrior and a gifted healer, but scarcely more than a child. Yet the Lady named her the champion of their people -- for only through Erin could Light finally triumph.

A warrior whose talent was healing, a healer committed to destruction . . . Erin's path would be a tortuous journey of faith into the Dark Lands!
