Women, Politics, and American Society (4th Edition) By Nancy E. McGlen, Karen J. O'Connor, Laura Van Assendelft, Wendy Gunther-Canada

A must-read for anyone wishing to understand the history and present-day political reality of women in the United States, this fascinating book explores three basic themes: political rights and realities, employment and educational rights and realities, and familial and reproductive rights and realities. *Women, Politics, and American Society* first traces the efforts of women to achieve rights in those areas and then tries to answer the question of why women still fall short of full equality.

Editorial Review

From the Publisher

This is the first text to provide a comprehensive exploration of where women are today in America, how they got to this point, and what changes still need to be made before full equality can be reached.

Users Review
