Con Job: How Democrats Gave Us Crime, Sanctuary Cities, Abortion Profiteering, and Racial Division By Crystal Wright

The Democrat Party likes to pose as the party of compassion. But where is the compassion in "sanctuary cities" that allow foreign criminals to prey on innocent Americans? Where is the compassion in encouraging envy and lawlessness?

Crystal Wright isn't falling for the liberal con job any longer. A one-time (2008) Obama supporter herself—and now a totally fearless "Conservative Black Chick"—Wright blows the whistle on the Democrat Party and its policies that are destroying America. In *Con Job* you'll learn why Democrat politicians have no problem with inner-city riots; why Democrats so fervently defend Planned Parenthood, how Democrats are remaking America through massive immigration and more.

The 2016 presidential election is set to be one of the most consequential in American history—and Crystal Wright's book is the one you need to help friends and family avoid falling for the Democrat con job yet again.

Editorial Review

Review

“If you believe that ‘Black Lives Matter,’ why do you keep voting for Democrats? The bold and brave Crystal Wright destroys the stubborn mythology that the Left has the best interests of black families, black business owners, and black voters at heart. This is an especially searing indictment of how race-hustling, abortion profiteers, and liberal crime policies endanger black America—and all of America.”

—MICHELLE MALKIN, author of *Culture of Corruption: Obama and His Team of Tax Cheats, Crooks, and Cronies* and *Invasion: How America Still Welcomes Terrorists, Criminals, and Other Foreign Menaces to Our Shores*

“Having grown up in inner-city Atlanta, Georgia, I can attest that today’s Democrat Party, dominated by progressive socialist ideology, is not the same party my parents supported. Crystal’s book is a must-read in this coming election cycle, if we are to reject the con job.”

—LIEUTENANT COLONEL ALLEN B. WEST (U.S. Army, ret.), president and CEO of the National Center for Policy Analysis and member, 112th U.S. Congress

“In *Con Job*, Crystal Wright brilliantly exposes the failures of liberal ideology and explodes the lies being used to keep voters uninformed, unemployed, and unenthusiastic about America’s future and its potential for greatness. Crystal Wright is one of the greatest voices for freedom in America today. As a black woman who studies the facts and comes to her own conclusions, she is a threat to the heart of liberalism itself. In the battle of ideas, she

is a combat-tested gladiator who takes slings and arrows 24/7 and never retreats from the fight. If liberty is important to you, buy this book! In fact, buy two and give the other copy to someone who needs to hear Crystal’s message: America’s best days are in front of it, as long as it puts liberalism behind it.”

—BRAD THOR, New York Times bestselling author of *Code of Conduct*, *Hidden Order*, and *Act of War*
